

**GOVERNMENT OF INDIA
NON-CONVENTIONAL ENERGY SOURCES
LOK SABHA**

UNSTARRED QUESTION NO:3907
ANSWERED ON:22.03.2001
SETTING UP OF BIO GAS POWER PLANTS
RATTAN LAL KATARIA

Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

- (a) whether the Government have decided to set up three Bio-gas power plants in Haryana; and
- (b) if so, the details regarding these projects?

Answer

MINISTER OF STATE FOR NON-CONVENTIONAL ENERGY SOURCES (INDEPENDENT CHARGE), (SHRI M. KANNAPPAN)

(a) & (b): No Sir. However, the Government of Haryana have short-listed three companies for preparation of Feasibility Reports for setting up of three power plants based on municipal solid waste. One of these plants, proposed for the city of Ambala, envisages generation of power through biogas technology. The estimated capacity of this plant is 2 Mega Watt at an estimated cost of Rs 20 crore.
